

Publications on Shipbuilding and Ship Repair
(1965-1974)

- 1- "A Design Study of a Numerically Controlled Frame Bending Machine", RINA.
(UK-1965), Shama, M. A. and Miller, N. S.,
- 2- "Plastic Bending of Short Mild Steel Beams", Bull. of the Faculty of Engineering,
Alexandria University, (Egypt-1965), Shama, M. A.
- 3- "Behavior of Short Mild Steel Beams Bent into the Plastic Range of the Material" Bull. of the Faculty of Eng. Alexandria University, (Egypt-1967),
Shama, M. A.,
- 4- "The Impact of Application of a Numerically Controlled Plate Forming Machine on
Shipyard Production" Bull of the Faculty of Engineering, Alexandria University,
(Egypt-1968), Shama, M. A.,
- 5- "Numerical Control of Plate Forming and Associated Problems",
Shipbuilding and
Shipping Record, Jan. (UK-1970), Shama, M. A.,
- 6- " On the Calculation of Cold Forming Residual Stresses", Bull., Of the
Faculty of
Engineering, Alexandria University, Vol. XI. (Egypt-1970), Shama, M. A.,
- 7- "Cold Forming Residual Stresses and Their Effect on the Accuracy of Post –
Forming Operations", European Shipbuilding, No.2, and No. 3, Vol. 19.
(Norway-1970)
Shama, M. A.,
- 8- "On the Calculation of Cold Forming Residual Stresses", Schiff und Hafen,
(Germany-1974), Shama, M. A.,
